

THE HARROP LINE to ELIZABETH HARROP WHO MARRIED THOMAS HARRISON in 1825 at CROWLE

- listing just some of the many HARROP families who have lived in this area over hundreds of years. Notice the recurring Michael and George Christian names, with a George in every family on his side. It does seem likely that the George who was buried in Barnburgh and Michael who lived in Swinton in 1692 are brothers. *(Information from the LDS British Isles Vital Record Index, courtesy R.C.)*
